

TOMATO TASTING 2023

When: Saturday, September 9, 2023, 2:00-5:00 PM

Where: The Crosswinds Church Creekside Barn, 1660 Friesman Rd., Livermore. (From the parking lot, follow Eden Garden signs.)

What's not to love about the Tomato Tasting event? This popular event is happening on Saturday September 9 this year (not on a Sunday in August as in past years).

1. First is tomato tasting. If you have a favorite tomato—either home grown or purchased—please bring samples for members to taste. Please arrive with your fruit already cut and plated. The Club will provide labels and toothpicks.
2. Second is a potluck. Please bring a dish made with tomatoes, anything from appetizers to desserts. For the tomato dish competition, please bring enough tastings for at least 25, a serving utensil, and a copy of the recipe. Members will vote for their favorite tomato dishes. The Club will provide drinks, plates, cups, and utensils.
