

Clare's Fare Garden – Feeding Community, Fueling Our Future

3350 Hopyard Road, Pleasanton

January 2021. The garden has 4 long in-ground beds, earmarked for vegetables, a newly planted orchard of 15 trees, courtesy of generous donations from **Alden Lane Nursery** and **Eden Garden volunteers**, and a curving pollinator garden. A Hügelkultur bed completes the planting areas. All around, we are scattering native wildflowers. There is a barn owl nest box to keep rodents at bay. We also look after the church's existing roses which border the garden.

October 30, 2020: Spreading compost

Nov. 23, 2020: Planting the orchard

Nov. 23, 2020: Pruning the roses

Dec. 21, 2020: Clearing a pathway

Jan. 2, 2021: Filling the Hügelkultur bed

Jan. 23, 2021: Sheet mulching
